## Diplomatic Corps Of Soviets In China Recalled To Moscow

### WAR, PEACE IN BALANCE; MANY EVACUATE AREA

Russian Business Houses In Manchuria Are Ordered Closed

CHINESE PREPARE TO LEAVE RUSSIA

Border War May Flare At Any Moment, Observers Say

Moscow, July 18.—The Soviet charge d'affaires and the Soviet consul were recalled to Moscow by the Soviet government today.

The Soviets have begun closing Russian business houses throughout Manchuria and are withdrawing Russian women and children from Manchuria summer resorts.

Moscow, July 18.—Attaches of the Chinese legation and all the Chinese consulates throughout Soviet Russia prepared today to evacuate their families following the Soviet's decision to break off all diplomatic and commercial relations with China.

Train service on the Chita-Harbin line has been suspended.

At least a dozen Americans, including Dr. Dorizas, of the University of Pennsylvania, who were en route for China, will be forced to travel via Vladivostok.

It is claimed the security of the eastern frontiers is menaced. The Soviet newspaper Izvestia announced the Soviets are taking measures to repulse possible attacks by white guards (anti-Communist Russians) and Manchurian (Chinese) troops.

May Break At Any Time

The situation in the frontier is possible at any time.

Moscow, July 18.—The situation between China and Soviet Russia has hovered today between war and peace.

With diplomatic relations between the two nations temporarily broken off, the Soviet government has declared itself of the belief that all means of reaching an amicable settlement of the question have been exhausted.

The far no possibility of solving the issue has presented itself, and the things stand today, there is at (Continued on Page 4)

COOPER WARNS BIG BUSINESS

Mergers, Not for Welfare Of People, To Find Going Rough

St. Louis, Conn., July 18.—Warning that the people will deal "with directness and force" in big utility mergers that have for their purpose "greed and greed" was voiced by Governor Myers Y. Cooper of Ohio in an address today before the conference of governors. The right to consolidate, however, will meet with no objection from the people, he declared.

### Where War Clouds Hover

THIS map shows the area of dispute in the Russo-China crisis over the Chinese Eastern Railroad. Russia demands restoration of her officials whom China has ousted from the railroad, while both sides are massing troops in preparation for eventualities should peaceful counsels fail.

### Conscience Forces Murder Confession

Cincinnati, O., July 18.—Becoming conscience-stricken after 17 years of silence, Mike Sardellis, alias Mike Dallas Baker, today confessed to police here to the murder of Miss Alexandra Chinnis, 18, then a hotel worker in Cheyenne, Wyo.

Sardellis, who is being held by local police declared that Miss Chinnis was his sweetheart at that time and that he killed her because of jealousy.

Since the murder he related, he has resided in Akron and Youngstown, Ohio, and Erie and Pittsburgh, Pa.

### ANTI-DRYS FORM GROUP IN OHIO

#### "The Crusaders" to Wage War Against 18th Amendment

Cleveland, July 18.—A vigorous membership campaign was under way here today in behalf of "The Crusaders," a new society, planned on a national scope, to war against the prohibition amendment.

The object and plans of the new anti-prohibition society were made known here by Benedict Crowell, former assistant secretary of war under Woodrow Wilson, and Fred G. Clark, prominent Cleveland, who today laid the groundwork for an intensive membership campaign for the new organization among labor unions affiliated with the Cleveland federation of labor.

Permission was secured from the labor federation last night by Crowell and Clark to solicit membership from affiliated unions.

"Our purpose is to build up a large membership throughout the country, and we have set the goal for Cleveland at 100,000," Clark said.

The organization, it was stated, is bidding for the youth of the nation "full of pep and vigor and determined to do something."

Principles of the organization which are set forth on application cards for membership, pledge the crusaders "to support any measure which will bring about any measure solution of the problem." The application also pledges to belief that "national prohibition has incited crime and increased lawlessness, hypocrisy and corruption," and that the "cause of real temperance has been retarded and that sumptuary laws have no place in the federal constitution."

### Franklin Square To Celebrate 100th Year

Franklin Square, July 18.—Hundreds of former residents are expected to return to this village for the celebration of its 100th anniversary on Saturday, July 27, at the school grounds.

A school reunion is being held in connection with the celebration. The morning will be given over to renewing of friendships and meeting friends.

A program of entertainment will begin at 1 p. m. The Canfield band is scheduled to give a concert at 2.

There will be a basket dinner at noon. Ample arrangements will be provided.

### PRISONER TELLS OF USING RAZOR TO KILL WOMAN

#### Ohio Man Admits Murder On Day of Funeral; Faces Charge

Columbus, July 18.—A few hours after the woman, whose throat he had slashed, had been laid to rest in a small cemetery in Coalinga, a little Jackson county community, Cary Burt, 53, Columbus second-hand clothing and junk dealer, broke down and confessed to the slaying of Mrs. Mamie Shart, 34, here last night.

His confession came after an all day grilling in the offices of County Prosecutor John J. Chester, Jr.

"Yes, I killed her Burt sobbed. 'I slashed her throat but she forced me to do it.'"

Burt, with a voice wracked with emotion, related how he had given the woman approximately \$1,500 over the two-year period he had known her.

"Last Monday morning" the junk dealer continued, "she asked me for more money. I told her I had none and she threatened to ask a neighborhood filling station attendant, whom she scarcely knew, for money. I lost my temper. I pulled a razor from my pocket and cut her. That's all there is to it."

A charge of first degree murder was immediately entered against Burt. He is to be arraigned today, and it is expected he will plead "not guilty" and be bound over to the Franklin county grand jury without bond.

Mrs. Shart was found dead, with her throat slashed, in the home of here aunt here Monday.

Burt, according to the story which was told police by Eva, Mrs. Shart's 12-year-old daughter, had lain in the yard of the residence all night, drunk.

Police immediately began a search for the killer and Burt was taken into custody about 24 hours after the crime. He was found in a shack in a none-too-fashionable district. Blood stained clothes were also found by the arresting detectives.

After two days of work police had amassed an amount of circumstantial evidence and when faced with this Burt confessed.

Mrs. Shart who had been estranged from her husband, was buried at Coalinga yesterday afternoon. She was a native of Jackson, Jackson county.

### SALEM KNIGHTS TO ATTEND MEET

#### Ashtabula To Be Host; Many Are Expected To Attend; Program Arranged

Ashtabula on Saturday and Sunday, July 27 and 28, will be host to several hundred Knights Templar of the 14th Ohio district, comprising eight commanderies. An extensive program of the convention type, with religious services, social festivities and sight-seeing excursions will be featured during the two day gathering.

J. H. Rice of Ashtabula, commander of the 14th district, is in general charge of arrangements. Committees of Columbian commandery, Ashtabula are working out the details.

Commanderies participating will be at Hotel Ashtabula, Conneaut, Painesville, Youngstown, Warren, Salem, Niles and Alliance.

Sunday morning arrangement will be made for attendance at various churches which the out of town people may wish to visit. Sunday afternoon provision will be made for taking the visitors on motor boat excursions to points of interest along the lake front.

### KIWANIANS HOLD ANNUAL PICNIC

#### Athletic Program Features Outing Held At Mill Creek Park; Sixty In Attendance

Sixty Salem Kiwanians, wives and friends, gathered for the Kiwanis club's annual picnic at Mill Creek park, Youngstown, Wednesday afternoon.

An athletic program was the feature of the afternoon, a baseball game played between teams picked from the club being won by the aggregation captained by E. C. Sheen and Ralph Snyder. Results of other contests were:

Ball-throwing contest, men, E. C. Sheen; horse-shoe pitching, W. W. Brown and E. H. Althouse; ladies' croquet, Mrs. W. W. Brown; ladies' ball-throwing contest, Mrs. R. F. White.

A picnic supper was held following the sporting events.

### COUNTY AUDITOR DIES SUDDENLY

#### Heart Disease Claims Man Who Had Played Part In Ohio Politics For Years

Columbus, O., July 18.—Funeral preparations are being made today for J. W. Matheny, 43, Caldwell, Noble county auditor who succumbed to heart disease here yesterday afternoon.

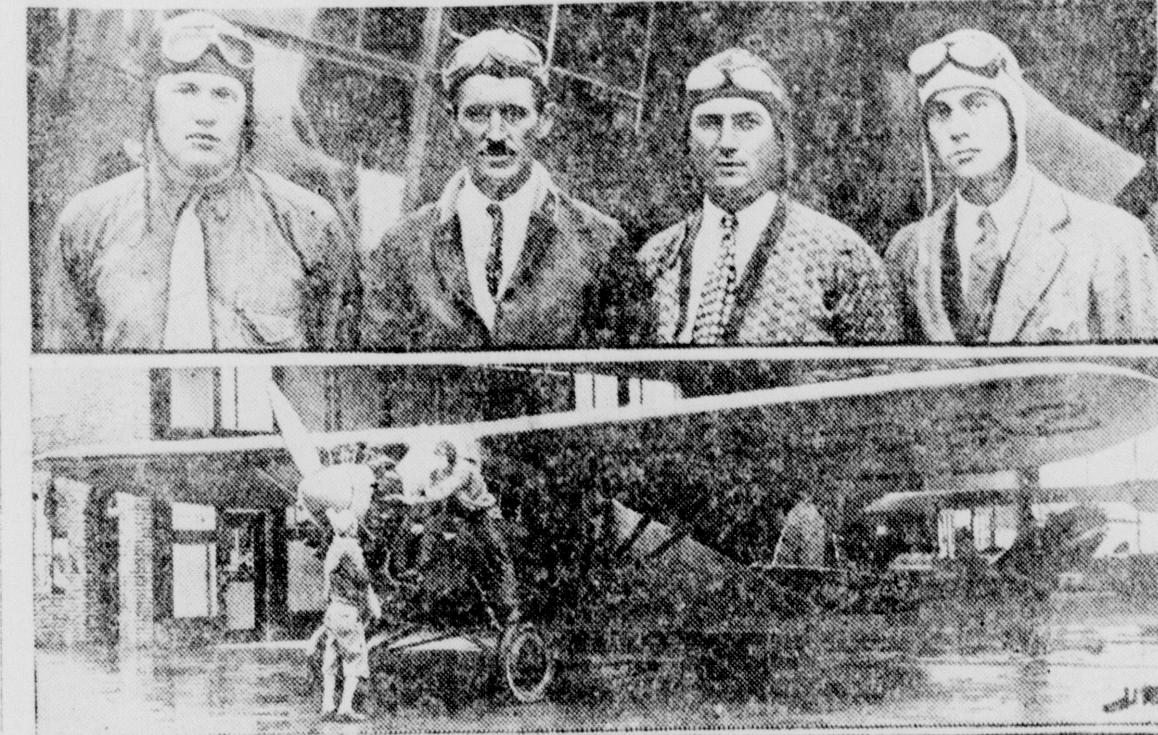

Matheny's wife and a party of friends motored here and registered at a hotel. Leaving him alone in his room, the others left and upon their return were astounded to find the Noble county official dead.

He was active in Ohio politics for 20 years and had numerous followers.

### Attempts Murder

Vienna, July 18.—A destitute workman, enraged because he could not find employment, tried to assassinate Chancellor Ernst Steuermann today. His revolver missed fire and he was knocked down and arrested before he could pull the trigger a second time.

### Cleveland Fliers Want Endurance Record

FOLLOWING close upon the heels of the 246½-hour endurance record made by the California fliers in the "Angeleno," two Cleveland fliers, W. B. Atwell, extreme left, and Edwin B. Taylor (standing next to him), will attempt to break the above record in their Fairchild plane at the national air races in Cleveland, O., with Hal E. Dungan (third from left) and Barney Rawson, extreme right, forming the refit crew.

### 20 PLANES LOST AS HURRICANE SWEEPS CANADA

#### Government-Owned Ships Are Cast Adrift In Heavy Winds

Toronto, Ont., July 18.—The Ontario government was making frantic efforts today to learn the fate of more than 20 airplanes adrift in the wilderness areas of the northwestern sections of the province, near Long Lac.

The planes, all government owned and used in the forest patrol and survey service, were caught in a hurricane that felled huge trees, snapped telephone and telegraph cables and spread havoc throughout the district.

Twenty government planes are stationed in the Long Lac area. Only two have been accounted for. These two were lifted from water moorings at Long Lac and blown 300 feet up the rock shore by the terrific sweep of the whirlwind.

The Long Lac area is the aviation center of Northern Ontario's vast logging empire. In addition to government planes, there are scores of private development company aircraft and planes owned by mining companies in the district.

### "GANG" LEADER DIES IN CAVE

#### Boys See Pal Covered With Earth; Rescue Attempt Fails

Cleveland, July 18.—The "gang" which was to have celebrated the opening of its "cave" headquarters today with a watermelon party, instead mourned the death of Lester Savage, its 12-year-old leader, who was crushed to death beneath five tons of dirt when the sandy soil of the cave on which he was completing excavation, gave way.

The boy "gang" leader was trapped in the cave by a great tree which had overhung the dugout and which caved in the den, pinning Lester to the ground while the tons of dirt trickled over his body completely burying him.

Six small followers of Lester's "gang," who had refused to enter the cave, fearing its safety because of the dangerous angle of the tree, stood by horror-stricken and unable to save their leader.

Lester's body was recovered with the aid of Deputy Marshal L. B. Huggett and a crew of ten men who were led to the scene by one of the "gang" members.

A leader of his crowd to the last, Lester consoled his frightened companions while the sand slowly buried him.

"Shut up, you guys. It's all right," he demanded of them.

An emergency squad rushed to the scene with an inhalator hopeful of reviving the boy when he was rescued. They arrived too late, however, to be of any assistance.

### Asphalt Poured On Fifth St. Project

Asphalt was being poured today on Fifth st. by the Kelley-Meyer Construction company, Youngstown, as the final treatment in improvement of the street.

Work on surfacing of Sugartree alley, between North Lundy and Elsworth ave, was rapidly nearing completion. The first section of the alley between Lundy and Garfield, was completed last week. It being paved with concrete.

### Watermelon Feast Ends When Boys Are Arrested; Lectured

Reading of passages from the Bible, philosophy of right and wrong, and general discourses on ethics formed lectures given by Mayor Phil G. Hiddleson this morning, when five young Salem boys, aged between 11 and 14, faced him on charges resulting from the alleged disappearance of watermelons from a freight car at the Pennsylvania railroad siding, Wednesday afternoon.

It all was an aftermath of a man's telling them that the melons were free, the boys claimed, and they promptly took him at his word, and pitched into them, until the owner appeared, chasing several away, and nabbing those individuals he could get his hands on. How many melons disappeared during the festival, police were unable to calculate, but the boys admitted that their hunger had been thoroughly satisfied.

Police now are searching for the person who gave the ladies the Utopian idea of "free watermelons," and will probably charge him with contributing to the delinquency of minors. A charge of petit larceny may be added as investigation today, by Acting Police Chief Jesse Gray proved that employees of one of the city's factories commercialized on the fact that the door of the freight car was opened, taking melons from the car, and sold them to other employees.

### DEATHS GAIN ON BIRTHS IN CITY

#### Fatalities Increase In Year, While Births Show Decrease

Seven less births occurred in Salem in 1928 than those registered during 1927, Health Commissioner T. T. Church reported today, in filing birth and death records for Salem and East Liverpool.

While births decreased slightly, there was an increase in deaths of 32, for the two years. Births in 1927 totalled 276, and in 1928, they amounted to 278. Deaths, in 1927, are reported totalling 160, while 192 occurred during 1928.

In East Liverpool, there were 588 births and 378 deaths last year, against a total of 615 births, and 335 deaths the year previous, indicating almost the same record as that compiled in this city. There were 27 more births and 43 less deaths in 1927, than in 1928, in Liverpool.

Seventeen children under one year of age died in Salem during both years. Deaths under one year of age in East Liverpool totalled 36 last year, and 39 in 1927.

### CAMP MEETING OPENS FRIDAY

#### Visiting Ministers To Take Part In Services; Many From Here Will Attend

Rev. Joseph H. Smith, Redlands, Calif., and Dr. Henry Morrison, Louisville, Ky., will be among the special workers at the 25th annual camp of the Sebring Camp Meeting association which opens Friday evening at Quaker Hill, near Sebring.

Rev. C. W. Ruth, Indianapolis, will be in charge of the services as platform manager. These workers are widely known in this section to people of Salem and vicinity who annually attend this camp.

Prof. J. E. Campbell will be in charge of music and singing at the services.

Mrs. W. L. Murphy, of Sebring, assisted by Mrs. Joseph Smith, Redlands, Calif., will direct the young people's and children's meetings.

Other workers will be Rev. J. F. Knapp, Cincinnati, a minister of national repute, who comes to Sebring for the first time this year, and Rev. Lawrence Reed, former Sebring resident.

Rev. Smith will conduct the "School of the Prophets" one of the features of Sebring camp. This service is held every morning.

Truck Driver Fined

Francis Carroll, Cleveland, was fined \$25 and costs by Mayor Phil G. Hiddleson, Wednesday afternoon, on a charge of operating a motor vehicle without license plates. He was arrested on the Salem-Libson rd. by State Automobile Inspector George Florence, yesterday afternoon.

### SWOLLEN CREEK WATERS ENGULF SCORE IN COACH

#### Death Toll May Reach Over Twenty-Five, Reports State

### RESCUE CREWS RUSH TO SCENE

#### Wreck Occurs While Many Passengers Were Asleep

Denver, July 18.—Between 16 and 25 persons are believed to have been killed and more than a score were injured when the westbound Rock Island Atlantic express, a through train from Chicago to Denver, crashed through a bridge over Spring creek, near Stratton, Colo., 150 miles east of here early today.

Spring creek, normally virtually a dry bed, had been turned into a swirling torrent from a cloudburst that had also weakened the bridge.

Twenty passengers on the train are believed to have been drowned when one of the all-steel Pullman plunged into the water.

Rock Island officials here said that nine cars of the train were derailed, only one, however, being completely submerged in the waters of the creek.

The engine and first two cars of the train passed safely over the bridge, a 75-foot span across Spring creek. The third car, in which virtually all the passengers are believed to have been, went into the water. The next three cars were piled upon the bank of the creek, one of them being partially under water.

Great confusion followed the wreck, which occurred just before sunrise in a sparsely settled section of the eastern Colorado prairie, not far from the Kansas line.

Surgeons, nurses and train wrecking crews were immediately dispatched to the scene of the disaster from Denver, Limon, Burlington, and Grand, Kas.

First rescuers to reach the scene were powerless to search for any possible living victims in the submerged car, which was buried in the sand beneath the roaring waters of the flooded creek.

Railroad officials here said that the train, consisting of eight Pullmans, and several coaches in addition to the baggage and express cars, probably carried between 350 and 400 passengers.

Information received here by A. L. Nowry, general passenger agent of the Rock Island road, said that it would be four or five hours before the water in the creek would subside, permitting rescue workers to enter the submerged car.

A majority of the passengers were asleep when the terrific crash came and seconds of indescribable confusion followed attempts of the injured and uninjured passengers to escape from the wreckage.

Screams of women and children could be heard above the roar of the creek water.

According to John McNary, a resident of Stratton, one of the first to reach the first to reach the scene, only one person escaped alive from the car which was buried in the creek. He managed to crawl through a window, McNary said, but was badly cut.

Scores of passengers lined the railroad track, many of them in their night clothes.

Dozens of others in scanty attire, unhurt by the crash, immediately set about the task of lending first aid to the injured.

### THREE BURNED IN SHIP BLAST

#### Oil Tanker In Harbor Is Scene Of Blaze; Loss \$150,000

Muskegon, Mich., July 18.—Three sailors were in hospitals here today with burns which probably will prove fatal, suffered when the Standard Oil company's tanker "Panoli," with 16,000 barrels of crude oil aboard, was destroyed by an explosion and fire.

The ship was about a half mile out in Muskegon harbor and was being loaded by a pipe line. Seven of the eight 2,000-barrel capacity tanks carried by the boat had been sealed when the last container exploded and burst into flames.

The crew made an ineffective attempt to bring the fire under control and abandoned the ship. The three injured men were carried to shore on a narrow plank walk wide enough to permit walking in single file only.

Loss was estimated at between \$150,000 and \$200,000. It was the second oil boat fire here within a week, the barge "Altamaha" having been destroyed, with her cargo of 8,000 barrels of crude oil, when struck by lightning.

### JUSTICE SPEEDS IN SNOOK TRIAL

#### Attorneys Rush Motions In Murder Case Of Former College Teacher; Aliens Appointed

Columbus, July 18.—Out of an intangible maze of legal technicalities surrounding the case of Dr. James Howard Snook, came one reassuring fact today—that everything possible will be done to speed up justice in disposing of the case of the confessed killer of Miss Theora K. Hix, his sweetheart, whether it be to free the man, send him to an insane asylum or to the electric chair.

Defense attorneys are expected today to file a motion before Judge Henry L. Scarlett asking a sanity hearing to determine whether the man who slit Miss Hix's throat after denting her skull with repeated blows from a hammer, was sane at the time of the commission of the deed.

After being assured that the defense would only ask for a hearing to determine the sanity of the man at the time of the killing and waive the hearing as to whether Dr. Snook is insane now, Judge Scarlett appointed three court alienists.

## STYLES

An ordinance in Buenos Aires, Argentina, stated that men appearing on the streets of the city had to be modestly covered with coats under all conditions of weather and circumstances. South American citizens, being susceptible to temperature even as are the men of other countries, objected to this and sought some way out. Owing to the fact that the "winter" temperature of Argentina approximates 98 degrees in the shade, something more effective than universal adoption of white suits and light weight cloth had to be done.

One ingenious resident of the city conceived the idea of wearing the jacket to his pajama suit in place of the comparatively heavy coat of his linen suit and within a few weeks, the pajama manufacturers of the region set unlike the clothing manufacturers of the North American continent, were advertising specialty pajama coats adapted to street wear. In due course of time, much like wildfire spreading—an apt comparison for pajama designs in these days of unlimited design possibilities—pajama trousers were also being worn in lieu of the former leg covering. The male of Buenos Aires had taken the opportunity to burst forth in brilliant plumage and had wasted no time in following the style unconsciously established by a daring gentleman whose actions were no doubt prompted by an urge to make himself conspicuous and heroic. In such a way may a style start.

Such a weakness in the mental constitution of the bulk of mankind should be protected from harm. Consider what might happen. While it is true that the pajama style in Buenos Aires answered a need as well as a whim, it is probably true that the followers of the fashion did not appear in the "tamest" of their pajama wardrobe. The style pendulum does not swing in that manner.

Consider, innocent citizen, what you may be doing when you wear the tie, the shirt, or the socks that were given you for Christmas. Someone may see them and decide that a new style has started and he may go out of his way, even as the giver of the gift, to find something like them. The infection might spread until cities could be found in which there would be thousands of hideous neck ties. Perhaps that is the reason that there are so many at the present time.

The monstrous suit bought in an idle moment and exhibited for want of something better to do my result in some hare-brained youngster buying one like it. Some day the two suits will meet on the street and both will be destroyed the same evening. Style, in that case, will have turned upon itself and inflicted a wound in the pocketbook.

Be wary! Be wary! The inconsequential thing which you do in a reckless manner today may be a style tomorrow. Mankind is barely past the stage of mimicry after all.

## What Others Say

**BEAUTIFIERS AND LIGHT**  
The American street lighting system is stupendous, complexly ramifying and impressively costly, but it is one only of the contributions of the electric art.

The annual cost for the electricity that lights the street lamps of the nation was in 1927, something more than \$65,000,000, which was practically the same amount that was expended last year, it is stated by competent statisticians, for denitrifiers, perfume, and face powders by the people of this country. These latter figures are from a statement, dated Nov. 29, 1928, from the bureau of the census of the department of commerce. For denitrifiers and perfumes the nation's bill last year was more than the total bill for the electric power required for the motive power of all the street and interurban railways. Shampoos and depilatories cost about as much as the electrical power for all the electrified steam railroads.

So with light, abundant and brilliant and necessary, we demand and have the things which assist us to cleanliness and beauty. We want to keep our teeth clean, and do so in the interests of cleanliness and health. We want to make ourselves attractive, and we draw from the pantaloons of fragrance, from the reservoirs of delicate powder.

We make electricity do much in the way of this assistance. We would not be contented people without these luxuries, which are neither eliminable nor humbling. They are things to which we have grown used. They help us to happiness and comfort. We are a great people, the greatest among peoples. We can afford to spend money for these things in a measure impossible to other peoples. While we ride on the currents of the lightning and make them to serve in infinite ways in our industry and business, we at the same time, cheap and hold the things which contribute to the nation's palatiality—Cincinnati Enquirer.

## The Stars Say —

For Friday, July 19

The planetary configurations for this day point to peace, honor, position and authority, not only bestowed by boon of benign stars but also achieved by the native tendency to win these by strategy, intrigue and taking advantage of likely situations by methods of expediency. There may be large new projects, with important affiliations with secret orders, corporations or with the government, in diplomatic roles or on commissions. Personally there may be unconventional contacts.

Those whose birthday it is may look for a year of a very propitious state of affairs, with success, prosperity and power or place materializing as a favor or honor and as well by the use of intriguing or subtle talents and machinations. In the personal relations there may be somewhat of the unconventional or sensational.

A child born on this day may be endowed with many-sided qualities and characteristics making for its progress, popularity and position in life, which will be happy and influential.

# VENTILATING PLANTS IN HOMES OF FUTURE

BY ROYAL S. COPELAND, M. D.  
(United States Senator from New York)

You must have a "crack in the eye" now and then as a warning to keep on the right track. It is more than easy to jog along in the same old way, fondly imagining everything is at it should be.

What caused this outbreak of mine is a letter just received from a man who is devoting himself to ventilation. He started out with some complimentary remarks about these articles, but they proved to be nothing more than the sugar coating of a criticism. Let me quote:

"I note you quite frequently use a term that I believe scientific men should delete from their vocabulary. I refer to the expression 'fresh air.'"

## Twenty Years Ago

(Issue of July 18, 1909)

Capacity of the new sanitary plant is soon to be doubled. The board of directors have decided on a notable policy of expansion. Orders pouring in must be filled.

Rev. M. J. Grable is the pastor of the Christian church for the coming year. Rev. Grable first came to Salem some 19 years ago to assume the pastorate of this church, which he held for seven years. Recently he has been in evangelistic work and his family has been located at Bethany, W. Va.

Work has been begun on the erection of a frame building at the rear of the Natural Gas company's lot on Gayfield ave., which will be used as a warehouse and tool house.

Over 100 horses were quartered at the race track stables Monday morning in readiness for the race meet which opens Tuesday afternoon.

Edmund Atkin, this city, tailor, employed by S. J. Mickle, is in training for some long pedestrian feat. He walked to Lisbon last Sunday in two and a quarter hours and plans to walk to Alliance next Sunday and to Youngtown the following Sunday.

A serious water question is confronting Sebring.

Lisbon—A bicycle touring party, composed of three young men from Pennsylvania, arrived in Lisbon this morning bound for Salem.

A well recently drilled on the Fowler farm at Chardon for the depth of 115 feet has a roar at the bottom as though a running stream was located there.

William J. Bryan will be in Niles Aug. 31 to lecture on "The Prince of Peace."

Mrs. John Oliphant, Lincoln ave., was surprised Friday by 30 friends who gathered to celebrate her 70th birthday anniversary.

Mrs. Charles Levy, East Green st., gave a dinner Sunday in honor of the 29th birthday anniversary of Sidney Glass, of the Cohen Shoe store.

"There is no such thing, Air is a more or less definite mixture of certain gases that do not change with time. Air may be warm or cool, dirty or clean, humid or dry, etc., but scientifically speaking it is never fresh."

This is rather interesting, I think. Suppose I quote a little more from this thought-provoking letter: "Fresh milk direct from the cow, vegetables from the garden, or fruit ripened on the tree are, of course, ideal. But our modern civilization requires pasteurized milk, filtered and chlorinated water, and many other refrigerated and artificially ripened products. No one questions the improved health conditions of city inhabitants from these artificial aids in bringing these necessary food products to the table in proper condition."

That is good sense, isn't it? I am sure we can endorse every word of it. But let us have another paragraph from the letter: "Air in the country on a June morning is ideal. But city air is never ideal at any time. City air must always be cleaned, warmed, cooled, humidified or de-humidified, or otherwise treated as the specific case demands, to make it best suited to our health and well being."

I have no question that the city home of the future will have air conditioning systems, just the same as they now have central heat. There is just as much reason for making the air proper for human breathing as there is for making the temperature a comfortable one.

I shall say more about this in the future. In the meantime I thank our correspondent as I am sure you do, for this thought-provoking letter.

### FEDERAL FUNDS ASSIST BANKS

Fifteen Tampa State Banks Closed  
 Due to Heavy Withdrawals;  
 Reserve Money Arrives

Tampa, Fla., July 18.—With millions of dollars of Federal Reserve money arriving, confidence was gradually being restored today following the closing of 15 state banks in this section yesterday.  
 The banks with combined deposits in excess of \$22,500,000, were ordered closed by the State Banking Department after heavy withdrawals by depositors. They included the Citizens Bank and Trust Co. of this city, with its 10 subsidiaries. When word of the crisis reached Atlanta, Ga., \$1,000,000 in currency was sent here by train from the Federal Reserve bank there, another million reached here by airplane, and three additional millions were said to be enroute.

### TRY THIS NEW GASOLINE

- 1 Put it in a car that knocks
- 2 Use it in high-compression motors
- 3 Check your mileage
- 4 Test it for power on hills
- 5 Watch your oil dilution
- 6 Note its starting qualities

**RED CROWN GASOLINE**  
 The same standards of care and uniformity also control the manufacture and distribution of Red Crown. We make Red Crown ourselves, in the same great plants that produce Sohio, because our customers are educated to a better grade of fuel than ordinary motor gasoline such as we might buy in the open market.

**SWITCH to Sohio Ethyl gasoline and stop "pump hunting" every time you run out of gasoline outside your own neighborhood! Wherever you live in Ohio, there's a Sohio pump nearby—as handy as your grocer. Wherever you go in Ohio you need never "cruise around" looking for a Sohio dealer or Red-White-and-Blue Star brand service station—there's one right at your elbow.**

Since its introduction in July, 1928, thousands and thousands of Ohio motorists have become Sohio users. These motorists realize that there is a difference in gasoline; that extra refining care, modern equipment and expert human workmanship make Sohio a gasoline of superior qualities.

We've made it easy for every motorist to get Sohio wherever he happens to be in the state of Ohio. More than 700 Standard service stations and over 3000 dealers scattered from Lake Erie to the River sell Sohio Ethyl gasoline. This ready availability in every community is one reason for Sohio's swift and increasing popularity.

Try Sohio yourself. There's a Standard service station or Sohio dealer right near your home. Fill up with Sohio. Put it in any test you wish—in your own car. Learn for yourself that there is a difference in gasoline.

### HONORS BRIDE-ELECT

Miss Mary McHenry of Minerva, whose marriage to William Ralph Manchester, of Alliance, was an event of Thursday, was honored Tuesday afternoon, when her sister, Mrs. Arthur Holmes, Mrs. A. E. Gose and Mrs. R. E. Coo of Salem, entertained with a lovely garden-bridge at the F. A. Holmes home in Alliance.

High score trophy at bridge went to Miss Betty Rhodes of Salem, with second honors going to Miss Barbara Turkle. The luncheon was served at attractive tables placed in the garden by Miss Betty McHenry, sister of the bride-elect, and Miss Josephine Holmes. Miss McHenry received a shower of beautiful gifts.

Among the out of town guests for the affair were Mrs. Lynn Hawkins, Mrs. Richard Hawkins, Berlin Center, Mrs. Steward McHenry, Mrs. J. B. McHenry, and Miss Hilda Throver, Minerva, Miss Helen Smith and Miss Betty Rhodes, Salem.

### STAR CLUB

The home was made attractive with sweet peas when Mrs. Lester Burton entertained members of the Star club Wednesday afternoon at her home, Goshen Center rd. Invited guests were: Miss Naomi Shinn, Mrs. S. H. Armstrong, Mrs. Ivan Townsend. Piano selections entertained and fancywork was a diversion, while the guests visited.

A gift of money was given to Mrs. Abel Mead, one of the members, whose home was recently burned. Lunch was served.

A meeting on Aug. 14 will be with Mrs. Harry Shinn, Benton rd.

### CLASS PICNIC

One hundred and twenty-five men and boys of the Presbyterian church enjoyed the picnic late Wednesday afternoon and evening at Centennial park.

The picnic was given by the Men's Bible class of the church. A supper was a feature and it was served by men.

I. F. Mellinger, of Leetonia, was a guest and gave a short talk relating to class pep. Baseball games and quilts contributed pleasure.

### AT ALLIANCE PARTY

Mrs. Cecil Loudin, of Alliance, entertained with an all day party at her home, for the pleasure of her former school mates, Mrs. Harry Billiard of Wooster, Mrs. Christ Camp of Salem, and Mrs. Charles Anthony of Alliance. Mrs. Billiard's daughter, Betty, Mrs. Camp's son and Mrs. Anthony's daughter, Pauline, were also guests.

### MARRIAGE LICENSE

A marriage license has been issued to Russell Helfrich of East Liverpool and Miss Elva Lawson, also of East Liverpool, and daughter of Mr. and Mrs. James Lawson. They are to be married by the Rev. Hoyt.

Mr. and Mrs. John Dailey and children, Huntington, W. Va., have returned to their home after spending a few days with his brother, Charles Dailey, Patmos rd.

Miss Betty Deming, Lincoln ave., who has been visiting in Chicago, left there today for Grand Rapids to visit her friends, Miss Cornelia Reed.

Mr. and Mrs. Carl Geiser, son, Bobbie, and daughter, June, Whittier, Calif., spent two days with Mr. and Mrs. Charles Dailey, Patmos rd.

Konjola Proves  
Right Medicine

Man, Long A Victim of Complication  
Find: First And Only Relief In  
Modern Medicine

MR. WILLIAM BROWER

"Failure after failure was the best I could get from all the medicines and treatments tried for stomach, liver and kidney troubles, and the rheumatism and neuritis caused by these ailments," said Mr. William Brower, 1020 Gest Street, Cincinnati, Ohio. "My system was filled with poisons. I was sick all over, worn out and run down."

"Results came soon after I started taking Konjola. Constipation and the torpid condition of my liver were relieved. My kidneys were strengthened and gradually the rheumatic and neuritis pains faded away. I am practically a well man, but I will continue with Konjola until every sign of all my former symptoms have vanished."

Konjola is sold in Salem at all J. H. Lease drug stores and by all the best druggists throughout this entire section.—Adv.

### JOLLY GIRLS

Jolly Girls of Emanuel Lutheran church held a meeting Wednesday evening and planned a wiener roast to be held July 31, at Westville lake. The girls are asked to be at the street car station at 2 p. m. and are to take their food.

At the social period Miss Regina Leusch entertained with violin solos, accompanied by Miss Anna Untch. Games were played and the prizes were awarded to Mary Untch, Margaret Fritzman and Hilda Fisher. Miss Freda Klamer was received as a new member. The next meeting will be on July 24.

### MISS DAWSON ENTERTAINS

For the pleasure of her guest, Miss Margaret Judson, Stratford, Conn., and sister, Miss Mildred Wiley, Mrs. E. S. Dawson entertained at a bridge party Wednesday afternoon at her home, Albany rd. Nine tables were in play in the games. Prizes were awarded Mrs. Ralph Miller, Miss Mary Bustard and Mrs. A. R. Silver. Supper was served by the hostesses.

### LITERARY CLUB

Literary club associates were entertained at a beautifully appointed luncheon given Wednesday by Mrs. E. J. Emery at her home, Highland ave.

Out of town guests were Mrs. William Koll Washington; Mrs. J. R. Thomas, Aurora, and Mrs. W. B. Henion, Chicago.

### CELEBRATE BIRTHDAY

Mr. and Mrs. Harry Goldberg, South Union st. entertained a group of friends Wednesday afternoon to celebrate the first birthday anniversary of their son, Jerome Leonard Goldberg.

The hours were enjoyed informally and lunch was served. There were two birthday cakes for the honoree.

### MARRIAGE LICENSE

Ida Lucille Naylor, of Beloit, and Donald Floyd Conrad, Homeworth, have secured a marriage license at New Cumberland, W. Va.

Miss Mildred Wiley, who has been teaching in the east, is spending the summer with her sister, Mrs. E. S. Dawson, Albany rd. Miss Margaret Judson, Stratford, Conn., is a guest at the Dawson home.

Misses Ruth and Gladys Harmel, Columbus, are visiting their grandparents, Mr. and Mrs. Carl C. Bowman, East Fourth st.

Mr. and Mrs. E. I. Goldy, East High st., have returned from Niagara Falls and Canada, where they spent two weeks.

### JOLLY DOZEN MEETS

Mrs. Martin Kaley won first prize in the euchre games at a gathering of the Jolly Dozen members Wednesday evening at the home of Mrs. T. S. Layden, North Lundy st. Other prize winners were Mrs. Earl Divile and Mrs. Gertrude Matthews.

The home was made attractive with flowers. Lunch was served after the games. In two weeks the members will meet again.

### DOUBLE FOUR CLUB

Mrs. Robert Litty and Mrs. Walter Egger shared honors in the five hundred games at a meeting of the Double Four club Wednesday afternoon at the home of Mrs. Harry Roup, Superior st. The hostess served lunch. A meeting in one week will be with Mrs. Robert Litty, East High st.

### MCCULLOCH CLERKS PICNIC

Clerks of the R. S. McCulloch company store, accompanied by Mr. and Mrs. R. S. McCulloch, motored to Cascade park, New Castle, Pa., Wednesday afternoon and enjoyed a picnic. They had dinner and supper at the park and were interested in dancing and water sports.

### Flight Backer Must Pay Big Alimony

Cleveland, July 18.—Otto I. Leisy, millionaire backer of the Cleveland endurance fliers, today was ordered to pay his divorced wife, Mrs. Varle Leisy, \$5,000 cash alimony as a result of a decision yesterday by Common Pleas Judge James B. Ruhl.

Mrs. Leisy will also retain her

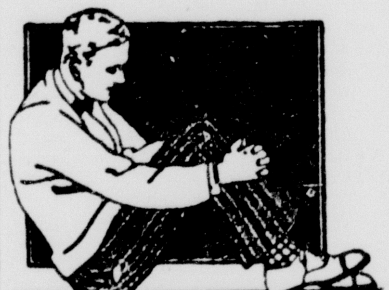

contingent dower right in her former husband's estate, valued at \$500,000, as a result of the ruling.

Mrs. Leisy was granted a divorce last week on grounds of cruelty.

## CHINA WAR

(Continued from Page 1)

least a 50 per cent chance of Russia and the Oriental republic bringing the dispute to a head on the field of battle.

First definite indication of the extent to which war clouds are hanging over Asia came when the Soviet government, in making public its reply to the Chinese note on the situation, placed entire blame for the flare-up on China, and announced complete severance of diplomatic relations.

The official Chinese reply to the Soviet ultimatum of Saturday reflects every demand made in the Russian communication, and on this ground, the Soviets announced their drastic measures of reprisal.

These measures are four in number. In addition to recalling diplomatic representatives and expelling Chinese consular officials, the Soviet government has severed communications on the Manchurian frontier, and recalled all Soviet representatives of the Chinese eastern railway.

A Riga dispatch reported that Gen. Budenny, the Soviet generalissimo, plans to concentrate heavy air forces all along the Manchurian boundaries, commander railways leading into Manchuria and strengthen the Moscow and Leningrad garrisons. The same dispatch added that "it was believed that Soviet Russia would withhold aggressive military action, awaiting a more polite note from China in reply to the Soviet ultimatum."

## Contractors To Pour Last Of Concrete On Highway Today

The Laughlin Coal & Supply Co., of Canton, was to pour the last concrete on the St. Clair township section of the East Liverpool and East Palestine rd. recently awarded the company today, it is announced by County Surveyor Lloyd C. Kirk. It is now believed that this section will be opened to traffic on or about Aug. 10. The new section is 3.78 miles in length and all the concrete has been poured this season, actual work beginning about May 8. Work began at the foot of the Fredericktown hill and proceeded south by west to connect with the paved section of the Calcutta-Fredericktown rd.

The Canton company was awarded this project on its bid of \$195,424.40 being the lowest among eight bidders.

Good progress is being made by the Burd Construction Co., of Canton on the concrete surfacing of the North Georgetown-Homeworth rd. and the last concrete is expected to be poured within the next three weeks. This same company recently finished the surfacing of the McWhirter-Stark County Line rd. but berms on the latter road have not been worked up to grade.

Two Miles Poured  
On the Negley-Rogers rd. the Allison-Harris Co., of East Liverpool, have poured two miles of concrete, this point having been reached today. About five miles of road is to be poured, and with favorable weather prevailing it is likely the last concrete will be poured late next month.

The half-way mark has been passed by George B. Patterson of Wellsville, who was awarded the contract for the surfacing of the Elkton-Clarkson rd. This road is to be surfaced from Elkton eastward to connect with the East Liverpool-Youngstown rd. a distance of 4.41 miles. Progress on this project has been good, it is declared, and about a month will be required to finish the road from the east to Elkton on the west, where an improved highway into Lisbon is tapped.

Six or seven weeks will be required for the Lewis & Copeland Construction Co. of Lima to grade and surface the new Calcutta section of the East Liverpool-East Palestine rd. This project was only recently awarded this firm by the State Highway Department, and work on the section was to begin today.

Stakes Are Removed  
After County Surveyor Lloyd C. Kirk set the stakes on this new section, his office was informed Wednesday that all the stakes had been removed, and that the contracting interest could not begin grading until new stakes were placed. Owners of some property required for this new road have adjusted their claims with the county commissioners, while other parcels have been condemned and the matter taken to the probate court, where checks have already been deposited by the county.

The Agreste Construction Co. of Cleveland, will complete the grading and drainage structures on the new Youngstown-Lisbon rd. in about two weeks. This road extends northeast from the "flat iron" on the Leetonia-Lisbon rd. into Columbiana. It is the intention of the State Highway Department to put a traffic bound surface on this road this year, the surface corresponding with that on the Kensington-Carrollton and the Narrows west of Wellsville on Intercounty Highway No. 7.

Grading of the Elkton-Signal-Rogers rd. is now under way, this contract having been awarded to Ben Francis of East Palestine. A large new steam shovel has been placed on this project and the first grading begins at Elkton. This road will not likely be surfaced until next spring.

Two concrete abutments and one pier have been poured on the new Negley bridge on the East Liverpool-East Palestine rd. by H. C. Armstrong of Lisbon. One pier and the super-structure remains to be poured. The time set for the completion of this project is Sept. 30.

When the bridge is finished, two small sections of concrete road will then be poured which will complete the road between East Palestine and East Liverpool.

Clinton, Mass.—Lancaster mills, which for many years produced only

cotton textile goods, has begun preparations for the manufacture of all-worsted cloth. The addition of the new line to the Lancaster mill will be the weaving of worsted suitings in grey, afterward to be bleached and dyed.

**"Pimples do not embarrass me now.... they are all gone"**

"S.S.S. has brought me health and happiness"

WITH the last blemish gone, confidence returns. More friends—more invitations—more good times. With the joy and pride of possessing a clear skin, self-respect increases.

Everybody wants to be attractive. It is a just and natural ambition. But no one can be attractive without a clear skin.

Skilled physicians recognize the appearance of pimples, boils, eczema and other skin eruptions as being an indication that the body's power of resistance is low.

The sure way to remedy this condition is to restore the red blood-cells to normal.

This is why so many thousands have been enabled to free themselves of these unsightly blemishes and

**S.S.S.**

painful skin annoyances by taking a course of S.S.S. S.S.S. helps Nature restore the blood to its normal state. Healthy blood nourishes the body and works against infection and disease.

Without plenty of rich, red blood there could be no strong, sturdy, powerful men, or healthy, beautiful women.

If you are troubled with so-called skin disorders take a few bottles of S.S.S. Seek energy, vitality and a clear skin through the remedy, which is made from fresh vegetable drugs, and has stood the test of over 100 years.

All Drug Stores sell S.S.S. in two sizes. Ask for the larger size. It is more economical.

### MOVIES

#### "HEARTS IN DIXIE"

A levee down the Mississippi. Roustabouts all set to load cotton. Everybody waiting for the Nelly Bly to dock. A few straggling passengers. Strains of "Ezekiel" stepping, full blooded horses, hooded and blanketed, about to go on a trip. Cargo of all sorts lying around—crates of chickens, furniture. Excited spectators on hand to see the sights and perhaps to welcome new arrivals. Strains of "Ezekiel" saw de wheel, with the voices blending in the sweetest harmony. And then—the Nelly Bly! It comes into sight with the captain on the bridge, the mate shouting orders, sounds of the gangplank being made ready to let down. Whistles. Bells. Paddle wheel sloshing. Engine exhaust playing a deep staccato. Activity on the levee at its height.

Passengers come ashore, others go aboard. The roustabouts pile up the bales of cotton on the deck as they sing a rhythmic song. In the rear of the crowd are two figures—that of an aged man and a little boy—in whose lives their greatest dramatic moment is about to be spent.

That is an example of the atmosphere of the Old South as it is built up in "Hearts in Dixie," all-talking, singing and dancing production which is at the Royal for final showing tonight.

"HIGH VOLTAGE" Framed in a background of the snow-bound Sierras in California

tense drama in its richest form will be presented at the State theater beginning tonight when "High Voltage," William Boyd's first all-dialogue production, opens a three-day run.

"High Voltage" is the story of six human beings who face death in a deserted meeting house, marooned from the outside world by snow, and who find the real valuations of life and the beauty of romance in their very fight for existence.

The story is among the strongest dramatically in which Boyd has appeared and it offers the star a rare histrionic opportunity. He has an excellent supporting cast with Owen Moore, himself a star of the stage and screen in the next important role. Carol Lombard, who will be seen in future dialogue productions, plays opposite Boyd, while Diane Ellis, who made a profound impression as his leading lady in "The Leatherneck," has another important role. Billy Bevan, of comedy fame, adds to the lighter moments of the picture, and Phillips Smalley, noted screen veteran completes the cast.

Howard Higgin directed "High Voltage," which is an original story by Elliott Clawson with dialogue by James Gleason.

# Chicago Cubs Go On Batting Rampage To Gain On Pittsburgh

## Pirates Divide Twin Bill With Boston Braves

Braves Collect 18 Hits To Defeat Brooklyn Dodgers, 16-3

BAKE RUTH CLOUTS 22nd; TIES GEHRIG

Bambino Suffers Injury Chasing Fly; Tigers Trim Yankees

New York, July 18.—Skies were a fighter for the Chicago Cubs as they came to Brooklyn for the last leg of their road trip. Yesterday while Pittsburgh was being held to an even break in a twin bill with Boston, they gained ground on the league leaders for the first time since the western rivals began their current eastern invasion.

The Pirates lead the Cubs by only two games this morning. They made a clean sweep in Brooklyn and Philadelphia, but lost two of their games with the Braves. Some observers are predicting that the Cubs will keep in the series with New York, which starts today, although the Giants looked none too formidable in losing three out of five games to Chicago and repeating the performance against St. Louis.

The Cubs went on a batting rampage yesterday, collecting 18 hits and winning 16 to 3. Every player in the club got at least one hit and one run. Charles Root checked the home run spree of Chuck Klein, although the Philly slugger did connect for a pair of singles.

Pittsburgh Ace Loses  
Burleigh Grimes, who had won 15 games and lost only one, was knocked out of the box as Socks Seibold of the Braves beat Pittsburgh, 7 to 4, but the Pirates romped away with the nightcap by a 13 to 5 count with Kremer on the mound. Harold Haid of the Cardinals held the Giants to four hits and won 1 to 1 with the aid of Taylor Douthett, who accounted for four runs with a double, triple and homer. Benton took the rap for the Giants.

Babe Herman, National League batting leader, walloped three singles and boosted his average to .404 as Brooklyn plastered Cincinnati, 15 to 5.

Yank Macks Defeated  
Mack's Athletics suffered another setback in Cleveland, when

Bill Shores lost a 5 to 2 decision to Walter Miller, but the Yankees did not heed opportunity's knock and booted one away to Detroit. Four runs behind in the ninth, the Tigers tied the score with the aid of three errors and knocked Hoyt out of the box, and then won out in the tenth, 9 to 8.

Babe Ruth hit his 22nd homer, tying Gehrig for the league leadership, but while chasing a fly the slugger sprang a Charley horse which may keep him idle a few days.

Sam Gray of the St. Louis Browns hung up his twelfth victory in blanking the Red Sox, 4 to 0, and Bob Burke of the Senators out-punited Ted Lyons of the White Sox, 6 to 2.

## Sanitary Drops Third Straight

Merchants Clout Out 24 Hits To Easily Win 21-4 Decision

Salem Merchants clouted out 19 hits for 21 runs, and the National Sanitary mullball combine went down to its third consecutive defeat, by a 21-to-4 score, at Centennial park last night.

The Merchants scored in every inning but the second, and piled up nine markers in the fourth. Sanitary started off good, getting all four runs in the first, but was held down by the pitching of Len Perkins for the remaining six frames.

Hardball league games will be the attraction at the park field tonight and Friday. Summary:

## Johnny O'Keefe Fights Third Pro Battle In Sebring Ring

Kid Dorsey, of Sebring, to Meet Salem Youth In Prelim Tonight

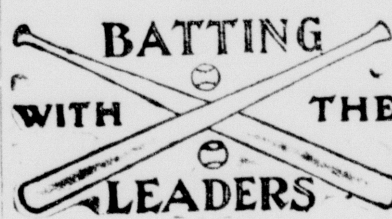

Sebring, July 18.—Johnny O'Keefe, fighting Irish lad hailing from Salem, returns to the Sebring ring where he made his professional fighting debut one month ago, with a sensational victory, when he clashes with Kid Dorsey, of Sebring, in a four-round preliminary fracas at Palermo bowl tonight.

O'Keefe is considered heavy favorite to trim Dorsey, who isn't rated as any sensation by even his own backers, but who is carded as a real plugger, who is fairly fast and can take it.

It will be the Salem lad's fourth bout since he entered the pro game. He holds one decision, and fought draws in each of his other affairs. Mickey Solomon, of New Castle, Pa., meets Mickey Fedor, of All-

ance, Canton, and wayside points, in the main event, while Jackie Welch, Sebring's popular corner, clashes with Johnny Shaffer, of Akron, in the semi-final. Tommy Chapelow, of Sebring, who kayced Jimmy Richey, of Salem, in the second round in the last Palermo fight, opposes Jimmy Grant, hard-punching Akron colored middleweight.

A large delegation of Salem fans will make the trip to watch O'Keefe get into action against Dorsey. It will really be the Quaker City youth's big fight since he started in the game, and if he annexes a decisive verdict, will be seen in principal bouts in Alliance, Sebring and Youngstown in future embroglies.

## Fight Results

At New York—Vittorio Campolo, Argentine heavyweight, won from Arthur De Kuh, Brooklyn Italian, on foul (3).

Jack Renault, Canadian heavyweight, won decision over Young Bob Fitzsimmons (10).

Roy Wallace, Indianapolis lightweight, won decision over Dave King, New York (6).

At Bayonne, N. J.—Harry Martone, Jersey City, won decision over Billy Kohut, California middleweight (8).

Moscow—The old-fashioned Russian cigarets with cardboard mouthpieces three inches have been banned because of the paper shortage. The standardization committee of the Council of Labor and Defense has ordered tobacco trusts to cut down the mouthpieces to one and a half inches to save paper.

## Campolo Wins Debut Battle On Foul Blow

DeKuh Desqualified For Hitting Low In Third Round of Bout

New York, July 18.—Victor Campolo, giant ex-slayer from the Argentine, went on trial last night at Ebbets field, Brooklyn, before a fistic jury which is still debating the question of whether he is a worthy successor to the old wild bull of the pampas, Louis Angel Firpo. The jury is still out on Campolo because he did not travel far enough with Arthur DeKuh, another Goliath of the ring, to determine his real class.

In justice to the newcomer, however, it must be admitted that he was cutting DeKuh down rapidly with stiff punches to the body and had him holding on in the third round when the tall Brooklynite was disqualified by Referee Jack Denning for hitting low with his right hand. DeKuh had been guilty of at least four low shots and had previously drawn two warnings from the referee.

Although Campolo was doubled up in pain after being struck low in the second round, he came out for the third round apparently in good shape and was not hurt by the low right that provoked the referee to disqualification of DeKuh.

The Argentine Giant, weighing 225½ pounds, battled from a crouch. DeKuh weighed 217 pounds and might have evened up Campolo's digs to the body if he had led with his right from a distance that would have enabled him to put something on it. He can hit as hard with that right as any man in the ring today but his timidity against good punchers and the old inferiority complex were beating him when the referee called it a night.

St. Louis—Miss Amelia Earhart, first woman to successfully span the Atlantic in an airplane, has been appointed as assistant to the general traffic manager of the Transcontinental Air Transport, coast-to-coast air line, according to an announcement issued recently by T. B. Clement, general traffic manager.

## Loughran To Defend Title

By DAVIS J. WALSH

New York, July 18.—A champion of the world, a fighting champion and a good one, will stand at the cross road of his career tonight and, by the choice he makes, either will go forward and upward to greater things or backward and downward to the inevitable limbo of pugilism's forgotten.

Tommy Loughran, they say, is at the crisis of his young life. He will defend his light heavyweight title for the seventh time in a year and a half in a 15-round fight with Jimmy Braddock at the

Yankee stadium tonight and the ghoulies who relish the end of an old dynasty are all a-twitter at the thought that it may turn out to be one defense too many. Braddock, not only is the strongest challenger the man has faced but the man himself is presumed to be ready for the old laundry bag. Just off two unimpressive fights with Armand Emmanuel and Mickey Walker, the champion is believed by many to have left the best of him on a set of coldly impersonal scales that will demand 175 pounds at 2 o'clock this afternoon.

## Youthful Golfer In Titular Play

Cleveland, July 18.—Dick Lutz, the 16-year-old "surprise-boy" of the Cleveland district junior golf tournament today stood on the threshold of tournament championship with Dick Morrow of Westwood, University of Pennsylvania student.

Between these two youths, who successfully fought their way to the final yesterday lies the junior golf championship here.

Morrow defeated Bob McCormack of Manakiki, 5 and 3, while Lutz conquered John Jaeger of Sleepy Hollow, 1 up, in the semi-finals. The final match will be played off tomorrow, having been postponed from today because of conflicting tournament bookings.

Lutz has proved the sensation of the tournament.

## Grate Motors Schedule Six Hard Battles

Kensington to be Played Away Sunday; Slated For Home Game

The E. L. Grate Motor company baseball team, of Salem, will meet the Kensington Independents, at Kensington Sunday. It will be the fifth game of the season for the Motors, who to-date have three victories and one defeat.

A complete schedule for the season, which will include at least one more home game, is now being arranged by Manager Ware. Six games, including the Sunday contest, have been arranged, while several more are pending.

The organization is playing on a strictly amateur basis, meeting teams of the same rating in the district. Following the Kensington game, Atwater will be met at Atwater, Sunday, July 28, while Wells-ville will play here, at Centennial park, August 4.

Challenges League Winner  
The team plans to challenge the winner of the city league championship for a series of games to decide the city sandlot title. Ware announced today. The Colonial Billiards, who have expressed a desire to meet the Motors on frequent occasions, will not be played unless they win the city loop title, Ware stated.

The complete schedule of the team, to-date follows:

Sunday—at Kensington.  
July 28—at Atwater.  
Sunday, Aug. 4—Wellsville, here.  
August 11—at Monaca, Pa.  
August 18—at Toronto.  
August 25—Smith Motors, Five Points, at Five Points.

Not a Victory of spoils, but a Victory of toil — a Victory of endurance born; a pursuance of an inspiration; the development of an ideal.

Perseverance plodding the lanes of Service to the Promised Land of Leadership, but the Goal is ever onward. Attaining Leadership is but the prelude to maintaining Leadership.

Victory, yes, but not vainglorious Victory; rather a Victory that regards success only as an evidence of community trust to be perpetuated by still greater degrees of service.

LEETONIA

The weekly meeting of the Leetonia Kiwanis club was held on Tuesday evening in St. Paul's Lutheran chapel where the Priscilla club served the dinner.

The speaker of the evening was J. L. Gray of Salem, assistant county superintendent of schools. He presented the viewpoint of the county board of education in regard to the consolidation of the schools of Salem township. This subject has been before the people for several weeks and as yet no definite conclusion has been reached.

In his address Prof. Gray brought out the idea that with the consolidation of the schools the children of the rural districts would be better educated. That all of the community life, such as business, banking, churches, etc. have a common center. The rural schools are the only exception.

He said the state was raising its quota for the high school budget meeting all obligations.

One of the points Prof. Gray brought out, that parents have a tendency to trade where their children attend school and that all community life unifies and crystallizes about the schools.

Mrs. Mary Greenamyer and daughters, Mrs. Clyde R. Shontz and Mrs. Eva S. G. Ashley attended the funeral of the former's aunt, Mrs. Susan Bowman at the Concord church, near Salem on Tuesday afternoon. Mrs. Bowman was aged 85 years and had been making her home with a daughter in Calla. She had fallen in the spring and

broken her hip and this was the immediate cause of her death. She had visited in Leetonia several times and made a number of friends when here.

Mrs. John Webb and niece, Miss Tella Ludwig, are visiting in Cleveland in the home of the former's daughter, Mrs. Richard Cross.

Mrs. E. F. Simpson has gone to New York City where she joined Mr. Simpson, who has been there for a week on business.

Miss Doris Cope is in Cleveland visiting in the home of Mr. and Mrs. Robert Clifford and daughter, Miss June.

FRANKLIN SQUARE

Mr. and Mrs. Ralph Walters, daughters Mabel and June Walters, of near Lisbon; Mrs. Mary McNeal of Salem, were guests Sunday of Mrs. Mattie Arnold.

Mrs. Margaret Miller, Mr. and Mrs. Fred Miller and children of Salem, visited with Mrs. Lizzie Shastner last Sunday.

Sunday school attendance at the St. Jacob's Reformed church last Sunday was 170.

Rev. and Mrs. J. G. Exline,

daughter, Martha, of Canton, were called in the Ellis L. Marshall home the latter part of last week. Rev. Exline was pastor of the Methodist church here in 1897-98 and who is now located in Canton, is enjoying a two weeks' vacation.

Mr. and Mrs. Schaefer of north of Salem, were callers in the Marshall home Sunday afternoon.

Miss Lucile Shelton of Warren was a guest Friday of Miss Geneva Zimmerman.

Miss Nana Halverstadt has returned home after a visit with Cleveland friends.

Miss Hattie DeRhodes of Canton is enjoying a week's vacation with her parents.

Mrs. Retta Lodge and children who have been visiting with Leetonia relatives, spent Sunday afternoon with her sister, Mrs. Della Hall and family. The Lodge family are moving from Philadelphia to Ambridge.
